

# CODFICON 2022

12th Annual Conference of Contact and Occupational Dermatoses Forum of India

Our prominent NRR Dr Mahaveer Mehta Ji from Dubai was the Guest of Honor and Faculty for Dermatology Conference in Jaipur. He thanked Dr Dinesh Mathur for inviting and honoring him.

About 300 doctors participated in the event and there were discussions about allergy to contact borne skin diseases, allergies caused by Parthenium grass growing in farm barns, diseases caused by hair color, adhesive bindi and rubber chappals and henna applied on hands. On this occasion, the poster prepared on World Naturopathy Day was released.
