

Rajasthan Foundation Launches Helpline Numbers For Turkey & Syria Earthquakes' Disaster

Rajasthan Foundation is anguished because of the loss of lives due to the massive earthquakes in Turkey and Syria. As the Indian NDRF team is already reaching these places, RF has also launched helpline numbers to assist all the Non-Resident Rajasthanis (NRRs).

They can reach us at our Helpline Numbers: 0141-2229111, 011-23070807 and +91 83060 09838

RF is always the at forefront to help each Rajasthani and we have launched these helpline numbers to ensure that no NRR goes unattended during this crisis. **Much to our satisfaction our NRR Mitras have also extended their complete support during this critical period and are working to help the affected families.** RF will continuously coordinate with the NRR Mitras to provide assistance to those impacted by this disaster.

Rajasthan Foundation Commissioner Shri Dhiraj Srivastava said that “Our Honourable Chief Minister Shri Ashok Gehlot has always been sensitive to the needs of our Pravasi community and especially during crisis situations; the government takes all the necessary measures to make sure that affected Rajasthanis are helped.”

The purpose of launching these helpline numbers is to provide required relief and support to our NRRs. We are attempting to live up to the expectations of all our Pravasis and our network of NRR Mitras have also shown their commitment to provide support to the Rajasthani community who need help in Turkey and Syria.”

We are working to ensure that all affected individuals get the much-needed assistance as soon as possible and the state government is committed to providing the necessary support.

The Rajasthan government has always been sensitive to the needs of our people and willing to help as well as assure safety and security as was done for the evacuation during Ukraine conflict.
