

## **ICU bed facility**

In the time of current Covid-19 pandemic situation, ICU facility is main requirement of any state.

The ICU facility can be utilised not only to deal with Covid-19 situation but for long term it will support the most vulnerable people across Rajasthan.

ICU facility will help to boost the medical infrastructure across Rajasthan to provide care in critical condition.

The proposed plan is to target 100 ICU bed which will be building gradually.

The Cost will 9 to 10 Crore INR, depending on the location and infrastructure availability.

The following items are included in the estimate for 100 Bed Isolation Wards:

1. Wall Panel for 100 Bed with partition:	30,000,000
2. Ceiling Panel for 100 Bed with Partition:	10,000,000
3. Imported Flooring:	2,500,000
4. Electrical wiring and conducting:	4,000,000
5. Medical Gas Pipe Line and other medical equipments:	34,000,000

Apart from above, the other option for donor is Mobile ICU Van. The ICU van is very helpful in emergency situation and it costs approximate 15 Lakh/ Van.

### **Benefits for donors**

- Donors/Organizations can put their display boards at the respective locations.
- Certificate cum Appreciation letter from Government of Rajasthan shall be issued to the Donor/Organization.
- Tax advantage: Individual and organization can exempt from income tax as per section 80G of Income Tax.
- The funds can be covered under CSR activity of organization as per the section 135 of companies' act-2013.
