- "Life of a Doctor" will give school students a feel on various aspects of living the life of a Doctor.
- "DORI-DOST" program will provide free assistance to graduating Doctors get a firm international exposure through overseas training (Externship).

As first recipient, Dr Akshat Banga starts training at Falcon Advanced Neurology Medical Center in Orlando

Doctors of Rajasthan International (DORI) Foundation has started an ambitious project to help Rajasthani origin medical students and graduates to pursue residency/fellowship training in international medical programs in the USA, Canada, UK, EU and Australia.

As the first recipient under Doctor's Overseas Training (DORI – DOST) Program, Dr Akshat Banga of SMS Medical College Jaipur has started his clinical training (Externship) in neurology at the Falcon Advanced Neurology Medical Center in Orlando, Florida owned by Dori Foundation President Dr Jaivir Singh Rathore.

About 50 medical students, interns from most medical colleges of Rajasthan are currently registered with this program. It's a free service and anyone interested in availing these servicing may get in touch with team Dori by visiting **dorifoundation.com**.

Conceived in July 2020 during the Covid-19 crisis, DORI was started by a few and now grown to more than 100 doctors of Rajasthan origin living overseas primarily in the USA, Canada, UK, EU, UAE, Tajikistan, Singapore and Australia.

Dr. Kusum Nathawat, a GP Trainee from London also held sessions on various aspects of becoming and living the life of a doctor. During this, Dr. Kusum Nathawat said that in collaboration with Rajasthan Foundation, workshops have been conducted in many big schools of Jaipur.

Workshop concludes at Jaipur with Dr Kusum Nathawat

Rajasthan Foundation Commissioner Dheeraj Srivastava said that through the workshops, students interested in medical field in 7 private and government schools of Jaipur were counseled, they were helped in the preparation of NEET. He said that the objective of the workshop is to create awareness among the students in the field of medicine and to prepare initial plans for their future.

About the DORI Foundation

Doctors of Rajasthan International (DORI) Foundation is a unique, not for profit duly registered society formed under the auspices of the Rajasthan Foundation of the Government of Rajasthan. DORI was conceived in July 2020 during the Covid-19 crisis. DORI, which was conceived less than 15 months ago, has now grown to more than 100 doctors of Rajasthan origin living overseas. The members are primarily residents of USA, Canada, UK, EU, UAE, Tajikistan, Singapore, Australia, etc. who have come together to help fellow Rajasthanis by working hand in hand with the state government during the raging Covid-19 pandemic and beyond.
